Your comment has been noted. Cumulative Impacts will be addressed in the Draft Environmental Impact Statement. The Draft Environmental Impact Statement will be available on the RUS website at <http://www.usda.gov/rus/water/ees/eis.htm>. Comments on the Draft Environmental Impact Statement will be solicited after its publication.

If you own property in one of the proposed corridors, please indicate all the existing uses of your property below:

- ☐ Agriculture ☐ Residential ☐ Conservation Easement
☐ Commercial ☐ Industrial ☐ Other: Recreational

Please describe any special uses or circumstances on your property that should be considered when assessing the Project. Please indicate the location of your property.

I have considered for sometime the possibility of constructing a residence on my land in the La Crosse to Blair corridor

In your opinion, what are the most sensitive resources (biological, cultural, recreational, ect.) in the Project area and why?

Maintain the existing resources we have land water wildlife and still continue to provide those things (electricity) which enhance everyone's lives.

In your opinion, was the project description, purpose, and need for the project adequately explained? If not, what additional information is needed?

Yes

Please tell us how to reach you.
